13. Describe the development, adoption, and use of the Petro Quality Control Manual produced at PIS000132-PIS000172, including a list of all Petro employees who received or signed any portion of that document.

Response:

The quality control manual was developed and adopted on 9/6/2018 while working at Lime Tree Bay terminals.

List of Petro Employees who have received the manual:

Adrian Melendez Jr.

Chetram Persuad

Javier Vazquez

Adrian Melendez Sr.

14. Describe the re-testing or re-certification process completed by the Petro welders in 2021, including why the welders were re-tested, who initiated the re-testing, and why Petro or the welders selected Guillermo Castro to perform the re-testing.

Response:

Petros' welders were re-tested in early 2021 because it had been more than a year since the welders had logged a weld for Petro. Petro initiated the retesting.

Guillermo Castro was used because he was the original inspector to test the same welders in Lime Tree Bay Terminals originally.

15. Identify where, when, and by which person at which company you contend each of Daniel Martinez, Edgardo Batista, Bernardo Cruz, George Rodriguez,

Fernando Lebron, Jonathan Rodriguez, and Richael Philips were originally tested and qualified as welders.

Response:

All the named welders were originally tested and certified at Lime Tree Bay while working in the terminals.

16. Identify by Bates number the original Procedure Qualification Records and Welder Performance Qualifications for each of Daniel Martinez, Edgardo Batista, Bernardo Cruz, George Rodriguez, Fernando Lebron, Jonathan Rodriguez, and Richael Philips.

Response:

The original qualification test by the above welders were performed inside Limetree Bay Terminals at their request and cost. Unfortunately, Petro does not have the original records and only has a continuity log for each welder to track welds from then after.

The following are the bates numbers of the re-testing done in 2021:

Daniel Martinez - Bates No. PIS000192

Edgardo Batista - Bates No. PIS000070

Bernardo Cruz - Bates No. PIS000071

George Rodriguez - Bates No. PIS000072

Fernando Lebron - Bates No. PIS000073
